

Dear Members,

At the last committee meeting of the BDC a number of issues concerning our competitions were discussed and the following resolutions made.

RIDERS PLEASE NOTE: Entries for both BDC members and non-members are taken in order of receipt

BDC accepts mail entries and Nominate online entries are received immediately.

If you choose to enter by mail, we advise you to send your form/cheque as soon as entries for a competition are open.

Reserve lists will be compiled based on numbers and will be in date order, no other preference will be given.

There will be no Jr/Yr points accrued for the leader board, places will be given in these age brackets for individual tests on the day.

The competition draw will be available to download from the Web site, **no emails** will be sent.

It is the responsibility of the competitor to be aware of these changes to conditions.

Regards BDC Committee.
